J.S.
89-99

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This is responsive to the Examiner's Office Action dated February 12, 1999.

AMENDMENTS

In the Reissue Claims:

Please replace new claim 21 with the following:

21. A process for air conditioning a textile machine comprising the steps of:

(a) generating a conditioning air stream;

(b) directing the conditioning air stream to an air distributor assembly including a plurality of spaced-apart, air distribution components;

(c) moving the conditioning air stream through the air distributor assembly in

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: BOX NON-FEE Assistant Commissioner for Patents, Washington, DC 20231, on March 12, 1999.
